

Ms.JANANISRI. S

Designation : Assistant Professor

E Mail : s.jananisri@skct.edu.in

Teaching Experience : 1year, 5months

Qualification : ME (Applied Electronics), BE (E&I)

Special Areas of Interest : Sensors and Transducers

Events organized	
Title	Funded By
Entrepreneurs day event co-coordinator	ICE Association: SKCT
Engineers day events co-coordinator	ICE Association: SKCT
Short film event co-coordinator for national level technical symposium	ICE Association: SKCT
English day events co-ordinator	ICE Association: SKCT
GRAFFITTI	ICE Association: SKCT
Slogan Writing	ICE Association: SKCT
AZAADI'70	ICE Association: SKCT

Continuing Education Programmes	
PROGRAMME	HELD AT
WORKSHOP on MATLAB TOOLS-“Neural networks and genetic algorithm”	Sri Krishna College of Technology, Kovaipudur
CPDT- Coal to electricity	Sri Krishna College of Engineering and Technology, Kuniyamuthur.
CPDT- Unleashing Your Hidden Potentials	Sri Krishna College of Engineering and Technology, Kuniyamuthur.
CPDT- Motivation and basic communication for freshers	Sri Krishna College of Engineering and Technology, Kuniyamuthur.
Faculty Development Program- PLC Automation	Sri Krishna College of Technology, Kovaipudur
GUEST LECTURE- Emerging trends in process automation with PLC and SCADA overview	Sri Krishna College of Technology, Kovaipudur
Faculty Development Program- Process Control	Sri Krishna College of Technology, Kovaipudur

CPDT- State of Art technologies followed in industries	Sri Krishna College of Engineering and Technology, Kuniyamuthur.
Five days training on DCS AND PLC conducted by Yokogawa India Ltd.,	Sri Krishna College of Technology, Kovaipudur
CPDT- Industrial Automation	Sri Krishna College of Engineering and Technology, Kuniyamuthur.
FDP on Industrial Instrumentation-II	Kumaraguru College of Technology, Coimbatore
Workshop on Vlab and VTU lab	Kumaraguru College of Technology, Coimbatore
INDUSTRIAL TRAINING on Robotics and Automation	Axis Global Automation, Coimbatore.

Membership of Professional Bodies	
PROFESSIONAL BODIES	TYPE OF MEMBERSHIP
ISA	Annual Member

Course materials / Monographs prepared
Transducer Engineering
Electrical Measurements
Electron Devices
Micro Electro Mechanical Systems

Paper Publications (Conferences)	
TITLE	CONFERENCE
A Comparative study of FFT on Cold Fire Microcontroller and FPGA	National Conference- Bannari Amman Institute of Technology, Sathy.
Implementation of FFT on Cold Fire Microcontroller	International Conference- Aishwarya College of Engineering and Technology, Bhavani
Study of FFT on Cold Fire Microcontroller and FPGA	National Conference- Velalar College of Engineering and Technology, Erode.

Paper Publications (Journals)	
TITLE	Journal
Tag-Based Social Image Search Using Visual-Textual Joint Relevance	International Journal of Research in Information Technology
Overview of adaptive filter using distributed arithmetic with offset binary coding	International Research Journal of Engineering and Technology
