Subject: SRIJAN - information
To: Mr. T. Bharani Prakash Asst Prof EEE <bharaniprakash.t@skct.edu.in>

IRSDC in partnership with MyGov, conducted a crowd sourcing competition– SRIJAN(Station Rejuvenation Initiative by Joint Action) to invite innovative, scalable, low-cost and high-impact ideas (ideally, retrofits minimizing significant construction work and/or capital cost unless justified by the value proposition) from stakeholders for upgrading the look and feel of the railway stations and thereby transform the functional utility, raise the revenue generation capacity and lower operations and maintenance cost of railway stations in the IR network.

The project titled “Waiting Hall Management System” submitted by Pradheep. N and Dhinesh Kanna.P of III EEE B won the contest. 19 projects were selected from all over India and this project is one among them. The winners were invited for the award ceremony at New Delhi on 05th November 2018. The chief guest for the award ceremony is Dr.P.S.N.Rao, Chairman, Delhi Urban Art Commission, New Delhi.
