DATE : 27.08.2016
VENUE : E.S.B. 307
ORGANIZER **Dr. E. Nandakumar**, Associate Professor, EEE

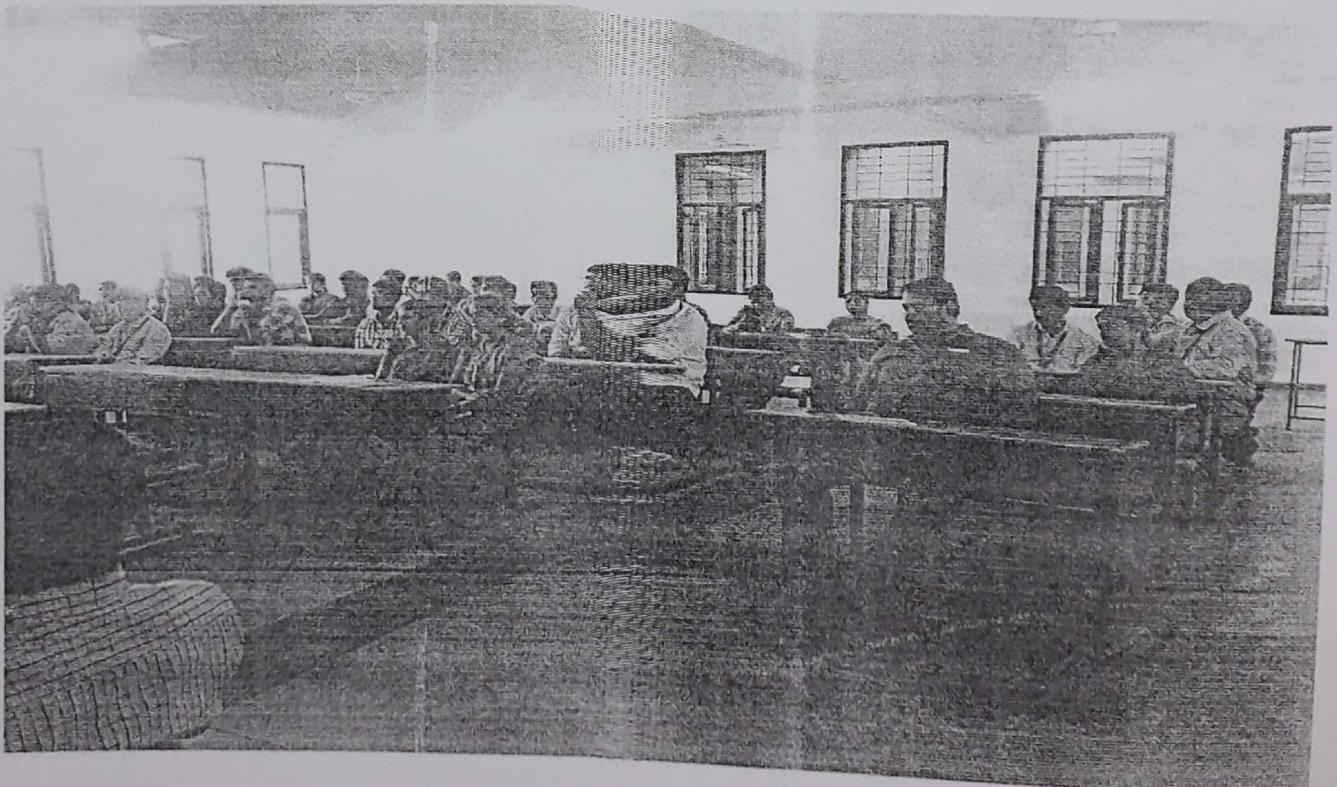

The department of Electrical and Electronics Engineering conducted a seminar titled "**PCB DESIGNING USING SMART DESIGNER**" on 27th August 2016 (Saturday), 11.00 a.m. at ESB 307 Hall. This event was coordinated and organized by Dr. E. NandaKumar Associate Professor, EEE. **Mrs. Uma Maheshwari**, Senior Executive, Pramura Software Pvt. Ltd, Coimbatore was the resource person of this event.

The Resource person has explained clearly about the importance of PCB design, PCB design procedures, formats, Importance of Design software and various aspects of their design software tool to use for the students project, etc. The session was highly inspiring and it's an eye opener programme for PCB designing tools. The second year students of EEE department and faculty members from Electrical Engineering are interacted with the resource person and **Mrs. Uma Maheshwari**, Senior Executive, Pramura Software Pvt. Ltd, Coimbatore also explains about their companies various aspects of service and the importance of PCB design software for educational purpose. She motivated the students and Faculty members to design their own ideas through PCB design software.

This seminar came to an end after an interactive session in which the students and faculty gave their feedback about the event and they even questioned him to which he responded in an intellectual way. The event concluded with the vote of thanks given by Dr. E. NandaKumar Associate Professor, department of EEE.

This programme is to enhance the skill of PIC programming and interfacing the kits with matlab in real-time. The course helps the students in creating robotic application and incorporating Internet of Things (IOT) in Electrical Engineering. We have planned the same for our second year and third year EEE students, initially 45 students are permitted to attend the one credit course on first come first serve basis. The course is planned to be conducted in a working Saturday. The syllabus and related information is enclosed for your kind perusal.
