Ref: - No/APPLICATION No:

Pr

Dear **Pranav Rajmohan**,

Congratulations! You have made it to a very special group - the group of candidates that IIM Kozhikode has *provisionally identified and selected for admission* to the first batch of its Post Graduate Programme in Business Leadership (PGP-BL). By now, you should have also received a brief communication from our Director, Prof. Debashis Chatterjee, at your correspondence address. The programme is set to kick-off on Monday, 16th December, 2019.

You have reason to be proud of yourself, and also make proud, the significant people in your life! You have grown through your experience, you put in the hard yards, and you prepared well; you showed us what you are made of, you showed passion, and you presented us your total portrait. We saw *all of that* and then *some more*: we liked what we saw and also what we could sense - your intent, your energy, your sincerity, your character and your story; and we *imagined* what you could be and what you will bring to the PGP-BL. You had choices, but we are glad that *you chose to talk to us*. On our part, we enjoyed the interaction and we believe there is a mutual fit between you and the PGP-BL.

So, here we are, delighted to offer you *another choice* - of stepping ahead with IIM Kozhikode's PGP-BL. It is an important step, and we trust you to make the decision that you feel is right for you, keeping your best interests in mind. Of course, we hope that you will join us. All the same, to manage our timeline and other programme preparations efficiently, we would like you to carefully review, understand and accept the terms outlined below. This is important for your choice/offer to remain valid, and for you to be part of the programme:

4.1 I acknowledge and agree that:

- I will arrive on campus in time for orientation and enrolment and if I arrive after the commencement of classes I may not be permitted to enrol in the program;
- the University may defer or temporarily suspend my enrolment due to misbehaviour and this may affect my student visa (it may be cancelled);
- if I defer or suspend my program of studies, this may affect my student visa (it may be cancelled);

- I am bound by the University's academic and other policies and procedures relevant to international students including but not limited to:
 - restriction on transfer to another provider during the first six months of my program;
 - maintenance of enrolment in all study periods to enable completion of the program within the duration specified on my Confirmation of Enrolment document;
 - maintenance of satisfactory academic progress and attendance at classes;
 - payment of tuition fees in accordance with my invoice due dates;
 - limit my enrolment in external/online mode to less than one-third of my total program.

5. My Visa:

5.1 I acknowledge and agree that:

- I am responsible for obtaining a visa that permits me to study in Australia for the duration of my program and will abide by the conditions attached to my visa including:
 - notifying the University of any change in my address, mobile number, personal email address and details of my emergency contact person/s and any changes to these details within 7 days;
 - maintaining valid health insurance and adhering to its conditions over the period of my visa;
 - working no more hours than permitted by my visa;
- I will pay all visa and any other associated costs should compassionate and compelling circumstances require me to extend my program of studies;
- the University may report any suspected breaches of my visa conditions to the Department of Home Affairs which may result in the cancellation of my student visa;
- it is a condition of a student visa that any of my family members of school age (between five and 18 years) living in Australia must attend school in Australia and I understand that school fees may be charged.

6. Appeals and Complaints

6.1 I understand that:

- if I am not satisfied with a decision made by the University I can appeal that decision at no cost;
- if I am not successful at the appeal I will have access to an external appeal process;
- I can make a complaint regarding any matter relating to my dealings with the University, the University's Education Agents, or any related party;
- I can obtain information regarding the policies and processes for lodging a complaint at: <http://i.unisa.edu.au/student-feedback-and-complaints/>

7. Applicable Law

- I am protected by the Education Services for Overseas Students (ESOS) legislative framework found at: <https://internationaleducation.gov.au/Regulatory-Information/Pages/Regulatoryinformation.aspx>
- This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.
- My personal information collected by the University may be disclosed to the Australian Government and designated authorities and, if relevant, the Tuition Protection Service Director. In other instances information collected on this form or during my enrolment can be disclosed without my consent where required or permitted by law, in accordance with the Privacy Act 1988 and the University's privacy policy.
- If the University is unable to deliver the program, the University will:
 - offer an alternative program; or
 - provide a refund of my unspent tuition fees.
- In the unlikely event that the University is unable to meet its obligations set out in 7.4, the Australian Government's Tuition Protection Service (TPS) will assist me in finding an alternative course or to get a refund if a suitable alternative is not found.

These Terms and Conditions have been developed in accordance with the ESOS Act 2000, ESOS Regulations 2001, the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 and the University's Student Fees and Loans Policy (Policy No: A-47) <http://i.unisa.edu.au/policies-and-procedures/university-policies/academic/a-47/>

1. Payment and Calculation of Fees

- 1.1 In order to accept an Offer of Admission, international students are required to pay 50% of the annual tuition fee (First Tuition Payment). If they will be obtaining a student visa they will also require visa length Overseas Student Health Cover.
- 1.2 Unless specifically requested, payment is not required from students with conditional offers until they meet the conditions of their Offer. If a student does make payment in respect of a conditional offer, when not required to do so, any application for a refund will be assessed in accordance with these Terms and Conditions.
- 1.3 Continuing international students are students who have completed 18 units of study at the University. They are charged tuition fees for each study period based on their enrolment load (total unit value). Due dates for payments are set per study period and are shown on the student invoice. If students do not pay in full by the due date shown on the invoice they are considered to be in bad financial standing (BFS). A student in BFS will not be permitted to enrol, review results, obtain an academic transcript, graduate or obtain a new Confirmation of Enrolment document.
- 1.4 If a student is sponsored by a third party, the University establishes a contract between the University and the third party for payment of fees. If the third party defaults on payments the student is responsible for payment of the tuition fees.

2. Student Services and Amenities

- 2.1 International students contribute to student services and amenities as a component of their tuition fees.
- 2.2 Inbound exchange students will be invoiced for this fee at the beginning of each study period, based on their enrolment load.
- 2.3 All other international student will have this included in their tuition fee.
- 2.4 Students will not be entitled to any refund of this fee after the census date.

3. Refunds of First Tuition Payment

- 3.1 Students are entitled to a full (100%) refund of their First Tuition Payment if:
 - (a) they are refused a student visa and provide documentary evidence of such refusal;
 - (b) their student visa is delayed by circumstances beyond their direct control and they provide independent documentary evidence to support their claim and as a result they are not able to commence in the study period for which they applied;
 - (c) the offer of a place is withdrawn by the University unless it is withdrawn due to incorrect or incomplete information supplied by or on behalf of the student in which case any refund will be entirely at the University's discretion;
 - (d) in the unlikely event that the University is unable to provide the program or start the program on the agreed starting day. In these circumstances the student may also be offered enrolment in an alternative program at no extra cost to the student. Students have the right to choose whether to accept the place in the alternative program (which they must do in writing) or the full refund of their First Tuition Payment.
- 3.2 Students will be refunded:
 - (a) 90% of their First Tuition Payment if they give written notice of their inability to study at least four (4) weeks before the commencement of their first study period;
 - (b) 90% of their First Tuition Payment if they have not met the appropriate entry requirements in their conditional offer and have given written notice prior to the commencement of their first study period;
 - (c) 50% of their First Tuition Payment if they have given less than four (4) weeks written notice before the commencement of their first study period of their inability to study or where they withdraw from the program on or before their first study period census date;
- 3.3 Students will not be entitled to any refund of their First Tuition Payment if:
 - (a) they withdraw from the program after their first study period census date regardless of whether they have enrolled in less than 18 units and part of the First Tuition Payment remains on their account; or
 - (b) they do not provide appropriate evidence to support their refund application.
- 3.4 Students will not automatically be entitled to a refund of their First Tuition Payment if their visa is cancelled. Circumstances surrounding the visa cancellation will be assessed on a case by case basis.

- 3.5 The University may in its sole discretion waive timeframes if the student is able to provide compassionate and compelling reasons together with supporting documentation as to why a refund application was not submitted earlier.
- 3.6 Refund applications for continuing students will be assessed in accordance with the University's Student Fees and Loans Policy.
- 3.7 For the purposes of these Terms and Conditions the following definitions apply for non-award programs "Commencement of the Study Period" means the date the program commences and "census date" means four (4) weeks from the date the program commences.

4. Refund of Overseas Student Health Cover

- 4.1 If the University arranged Overseas Student Health Cover (OSHC) on behalf of the student and the student has not yet entered Australia they will be refunded 100% of their OSHC by the University.
- 4.2 If a student has entered Australia the University cannot refund any OSHC and the Student must apply for a refund from their OSHC provider (which may retain a compulsory minimum cover premium in accordance with its refund policy).

5. Refund Process

- 5.1 Students seeking a refund must apply in writing using the Refund Request Form ¹.
- 5.2 Students must attach with the Refund Request Form:
 - (a) a copy of their passport (including the signature page);
 - (b) a statement explaining why they are requesting a refund.
- 5.3 In the event that the student is requesting a refund due to returning home, they must evidence their departure. This will be verified by the University by checking their location with the Department of Home Affairs prior to processing the refund.
- 5.4 In the circumstances referred to in 3.1 (a) and (b) and 3.2 (a) (b) and (c) a refund will be processed within four (4) weeks and in the circumstances referred to in 3.1 (c) and (d) a refund will be processed within fourteen (14) days of receiving a complete application.
- 5.5 Refunds are paid in Australian dollars and will only be made if the University has already received cleared monies in its bank account.
- 5.6 Refunds may be paid to a third party (i.e. person or organisation other than the student):
 - (a) at the student's request; or
 - (b) where the payment was made by a third party and the University is required by Australian Law or by agreement to refund the original payer.

6. Deferrals

- 6.1 If a student defers the commencement of their program to a future study period their First Tuition Payment will be transferred to that future study period.
- 6.2 If a student applies for a refund but then defers and later applies for a new refund of their First Tuition Payment that new refund request will be processed using the timeframes of the original refund application and not the new refund application e.g. if the student applied on census date in the first application and 4 weeks before the commencement of the study period in the second application the second application will be processed as if it was submitted on census date.

7. Appeals Process

- 7.1 Students can appeal against the University's decision regarding refunds if they believe that the University's Student Fees Policy or these Terms and Conditions have not been correctly observed or other relevant information has not been considered. Students must lodge their appeal in writing with documentary evidence to support any claims to: The Director, Student and Academic Services, University of South Australia, 101 Currie Street, Adelaide SA 5000, Australia.
- 7.2 The appeal must be lodged no more than 28 days after the student has been advised of the decision they are appealing against.
- 7.3 These Terms and Conditions and the availability of an appeals process does not remove the right of the student to take action under Australian Consumer Law.
