Sl. No.	Points taken up for Discussion	Remarks / Action to be taken	Responsibility	Target date
1	NBA Visit feedback	<ul style="list-style-type: none">Principal welcomed all the student council members for second meeting of 2017-18 even semester.NBA committee visited Civil, CSE and ECE department and verified the documents along with common facilities offered to the students.In micro level the members assessed the quality of teaching learning process, assessment methods, quality of the projects etc.They informed that institution has good infrastructure and excellent facilities (Library, Labs, sport facilities, etc.) but not utilised at the fullest extent.Facilities are used only during working hours. Being a student of engineering college, you have to work to shine up.Lot of activities will be conducted by the departments also.Awareness about the OBE among the students is not there.Close interaction with parents has to be improved.<ul style="list-style-type: none">Academic review meeting will be conducted frequently.Happily and voluntarily bring your parents.Institution has to provide enough exposure to	Faculty and students	Continuous

		<p>students on entrepreneurship</p> <ul style="list-style-type: none"> • Entrepreneurship development cell is headed by HoD/MBA. Attend all the activities organised by EDC. In 1 or 2 months IoT incubation centre will be opened in our campus and make use of it. • Hardly 5% of the students aware about the opportunities for higher education. • Two days back SKI entered MoU with Valparaiso University for higher studies enrolment by our students. • Also awareness program will be conducted through study abroad cell. 		
2	OBE awareness among students	<ul style="list-style-type: none"> • Amongst the students, the knowledge of OBE is least. • HoDs and student council informed to the students about OBE. • Students should be aware of vision and mission of the department and college and CO, PO, PSO, PEOs etc • CO attainment is mentioned in the CIA 1 answer script. Target is set as 75%. 	All Faculty and Students	Continuous
3	Mandatory attendance for appearing in CIA	<ul style="list-style-type: none"> • Students should have minimum 80% attendance for writing the corresponding CIA. • For the past 1 ½ month absentees is very high. • Absentees are there during 3rd hour and from 5th hour. • Since standard is improved and continuous learning is required, attending the class is very important. 	All Students	Continuous
4	Formation of Library council	<ul style="list-style-type: none"> • Library council is formed with students and faculty members with a view to improve library users. • Meeting will be conducted on every first Friday of the months. • Students should have the practice of using the library facilities and improve the reading skill. 	All students	Continuous
5	Participation in National level competitions/Events	<ul style="list-style-type: none"> • This year many students won in many national level events and brought laurels to our institution. • But participating % level is less and should be improved. • While participating in such events students can 	All students	Continuous

		<p>acquire new knowledge and get high level of exposure.</p> <ul style="list-style-type: none"> • Every student has to go to premier institutions for competitions to add more value to them. 		
6	Availing OD for attending events	<ul style="list-style-type: none"> • OD will be provided without any restriction for attending good programs at reputed institutions. • After getting prior approval attend the events. 	All students and faculty	Continuous
7	Completion of Project Work and Mini Projects in time with seriousness	<ul style="list-style-type: none"> • In OBE all outcomes are measured through project. • Devote and involve yourself with a high level of seriousness. • In each department research labs are functioning for project and product development. • Try to complete with good mindset and full satisfaction. • Nowadays students from all the departments are developing products and patents. But only 5 to 10% are doing it. • Outcome of the project should be a paper, journal or patent. 	All students and faculty	Continuous
8	Completion of Lab assessment in time	<ul style="list-style-type: none"> • Every experiment will be an exam. Have the practice of completing the experiments and get the sign in the same lab. • Before the midsem and end sem exam complete all the experiments. 	All students and faculty	Continuous
9	Paying the tuition fee on time	<ul style="list-style-type: none"> • Many students are very lazy in paying the fees. • Most of the parents are unaware of fees due date since students are not informing them. • Results will not be released for the fees defaulters. • Next year new strategy will be made. 	All students	Beginning of the academic year
9	Posting of attendance, CIA marks and CO attainment levels periodically in website	<ul style="list-style-type: none"> • Posting of attendance, CIA marks and CO attainment levels will be made periodically in website. • Parents will also be intimated. • Students can view by yourself and calculate the internal mark. 11	Feedback from students	<ul style="list-style-type: none"> • In internal test question were direct and in end sem exam indirect question were given. • Faculty members will be insisted to give indirect questions in the internal test itself. • In main block only one drinking water facility is available. • It will be looked into. • Arrear fee is very high. • Very purpose of this is to reduce arrears. • This semester onwards only revaluation fees will be collected and no transparency fees. • Faculty members mark absent for 3 hours lab if students come late for 5 or 10 minutes. • Students insisted to come early to the class and lab. • Jio net was slow in IT blocks. • Jionet technical team is available in our institution and will be informed about this. • Students can inform such details to system admin. • In CB2 there is no wifi. • Wifi is provided in common areas only and will not be provided in class room areas to avoid unnecessary usage. • In 3rd IT B class interactive board is not very clear. • Will be verified and rectified. • During evening hours hostel girl students are mostly dumped in a bus. If they ask the driver (Bus no. 1740) drives harshly. • It will be looked into. • In 3rd CSE A class due to sunlight inside the class students are feeling hot and asked for sunscreen in the windows. • It will be looked into. • Activity Saturday is not conducted. • Due to NBA visit and CIA 1 activities were not conducted during Saturday. 	All Faculty and Students	Continuous

		<ul style="list-style-type: none"> • It will happen hereafter. • Alumni can be invited frequently. <ul style="list-style-type: none"> • Due to lack of their time they are not coming frequently. Webinars and guest lectures will be arranged by the departments. • List of companies visited can be circulated to the students. <ul style="list-style-type: none"> • It will be done. • In some labs both lab manual and assessment sheets are asked to write. <ul style="list-style-type: none"> • Repetitions will be avoided. • MIT lectures can be made available in the digital library. <ul style="list-style-type: none"> • On discussion with librarian it will be made available. • Students asked for display of contest brochures sent by institutions in their classroom block. <ul style="list-style-type: none"> • Staff coordinator will be fixed for this. • Principal said that more than 100 projects were enrolled for competitions. Even the projects not selected for next round can be preceded by the students to carry out as mini project or convert it into patent.

This semester may be for internal exams question papers are expected to get from external examiners. Bloom's Taxonomy level for exams will be 35% Higher order Thinking (HOT) and 65% will be Lower Order Thinking (LOT) levels. Hence, Internal question papers will be HOT 65% for practicing to get enough training. Prepare well from day 1 on regular basis. For laboratory similar procedure will be followed as last year. Every lab class is important to score mark and you are free to discuss with the faculty members for marks awarded. 		
3	Online Courses	<ul style="list-style-type: none"> Principal has explained about the importance of online courses. <ul style="list-style-type: none"> AICTE encourages offering 20% credit through online courses. Out of 5, 1 course can be taken as 1 subject. Every student is expected to register for 1 course to enhance capability of self study. Some companies expect self, learning preparation and presentation skills. Our institution secured 11th position amongst 3000 colleges in NPTEL online course held last semester. This year we have to aim for first 3 positions. IV year student Mr. Anandaraj completed 3 NPTEL courses and got top ranking. For theory, 20 marks will be given for students securing Elite certificate from NPTEL. 	All students and faculty members	Continuous

		<ul style="list-style-type: none"> For lab, MoU was signed with spoken tutorials and university of Pune. Take up the course and get good marks. Final full 25 marks will be given those who complete the course. 		
4	New initiatives to improve the quality of teaching and learning	<ul style="list-style-type: none"> Communication and Presentation Skills Snap talk feedback will be given by faculty and it will be considered for one of the internal components(5 marks) External agencies may be called to analyse the snap talk performance Saturdays is allocated for activities to improve soft skills Fourth day after CIA will be used for technical essay writing, technical presentation and assignment presentation Students are asked to participate in competitions conducted at reputed institutions to improve the knowledge in the respective field. To improve employability skill mandatory courses are included in the curriculum. 	All students and faculty members	Continuous
