## **DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

### **Research Centre Affiliation details**

#### **M.E. APPLIED ELECTRONICS**

During the academic year of 2006-2007, the Master of Engineering in Applied Electronics program commenced, with an initial intake of 12 students. This program equips students with the skills necessary to design and analyze advanced electronics within diverse engineering domains. The department offers emerging elective courses in VLSI, Embedded Systems, Communication systems, catering to individual career interest. Initiatives like the electronics sector skills, Centre of Excellence focus on practical skill development aligned with industry demands.

#### **Ph.D. Electronics and Communication Engineering**

Since 2008, the Department of Electronics and Communication Engineering has held the esteemed status of a Research Centre accredited by Anna University (Code: 4272207). Currently, the department boasts 4 recognized Supervisors, offering opportunities for both full-time and part-time enrollment.
